- ◆ In April 2006 a check was submitted to the WDNR for GIS registry of the site for groundwater contamination exceeding the NR140 standards.
- ◆ A copy of the most recent deed is attached.
- ◆ The contaminated site boundary lies entirely within one property. The parcel identification number is Dane County # 016/0612-153-9000-1.
- ◆ A site location map is attached.
- ◆ A map of the property showing structures and the contaminant source is attached.
